

Digital Storytelling

What's the course about?

Master the art of digital storytelling in your classroom with the help of creative Canva tools. Discover how Canva's multimedia features bring learning and stories to life through images, text, and sound. Encourage students to create structured personal narratives and stories that clarify complex concepts and bring abstract ideas to life.

Skills and Knowledge Acquired

- Draft with storyboards in Canva whiteboard.
- Integrate audio, visual, and motion elements to enhance storytelling.
- Empower students to craft interactive personal narratives.
- Develop techniques that persuade, inform and entertain with Canva lessons.

Course Information

- Gain access to a library of resources and tutorials.
- Available as a 2 hour, half-day or full day course.
- Live online or in-person training options.
- Training by official Canva for Education Partner trainers and consultants.
- Certificate of Attendance provided.
