

CIN2

# Multimodal Approaches

## What's the course about?

Integrating multimodality into curricular resources and outcomes can provide optimal conditions for knowledge retrieval and deeper learning. In this course, discover how Canva tools and templates can help represent knowledge in various forms and combine modalities to create infographics, video and interactive presentations.

## Skills and Knowledge Acquired

- Create optimal resources for learning.
- Enhance engagement with interactive Canva presentations.
- Facilitate active learning and knowledge retrieval.

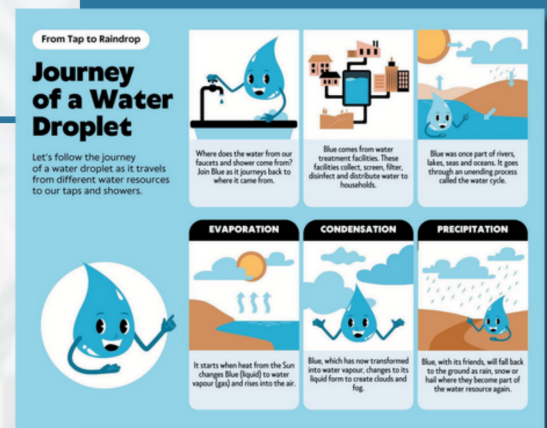

## Course Information

- Gain access to a library of resources and tutorials.
- Available as a 2 hour, half-day or full day course.
- Live online or in-person training options.
- Training by official Canva for Education Partner trainers and consultants.
- Certificate of Attendance provided.

Create optimal resources for learning of the key concepts

Create interactive presentations
