

CS3 Empowering Creative Learning

What's the course about?

Design instruction that empowers students with the creative freedom that Canva and Microsoft offers to express their understanding and mastery of subjects. Through deep understanding of the creative process, students acquire ownership and explorative skills for their learning, and teachers can facilitate more engaging and challenging tasks and assignments.

Skills and Knowledge Acquired

- Practice creative decision-making with Canva's array of design choices.
- Promote explorative and mastery-based learning projects.
- Inspire innovation with Microsoft's dynamic digital environment.
- Learn principles of design and strategies that encourage creative approaches to problem-solving.

Course Information

- Gain access to a library of resources and tutorials.
- Available as a 2 hour, half-day or full day course.
- Live online or in-person training options.
- Training by official Microsoft Global Training Partner trainers and consultants.
- Certificate of Attendance provided.
