

CIN6 Adaptive Teaching Strategies

What's the course about?

When teachers adapt their instruction to provide appropriate levels of challenge for individual students, great things happen. Learn how to leverage powerful teaching, planning and formative assessment strategies and discover how Canva tools and features can support creating alternative routes to learning. Save time on differentiation approaches with Canva's AI, Docs and Lesson features and build a learning environment where curricular materials are flexible and accessible.

Skills and Knowledge Acquired

- Tailor educational content with adaptive Canva designs and templates. Accommodate diverse learners with customizable resources.
- Use live feedback tools to adapt instruction in real time.
- Use multimedia within Canva to dual-code concepts, promote understanding and engage learners in self-supporting behaviours.

Course Information

- Gain access to a library of resources and tutorials.
- Available as a 2 hour, half-day or full day course.
- Live online or in-person training options.
- Training by official Canva for Education Partner trainers and consultants.
- Certificate of Attendance provided.

Canva Lesson packs are super easy to adapt

Tailor content with templates and styles
