

CS3 **Empowering Creative Learning**

**What's the course about?**

Design instruction that empowers students with the creative freedom that Canva offers to express their understanding and mastery of subjects. Through deep understanding of the creative process, students acquire ownership and explorative skills for their learning, and teachers can facilitate more engaging and challenging tasks and assignments.

Get students creating Interactive docs and presentations

**Skills and Knowledge Acquired**

- Practice creative decision-making with Canva's array of design choices.
