# Celebrating Student Achievement

## What's the course about?

Discover how to use Microsoft tools to visually celebrate and assess student achievements. Harness the power of Microsoft PowerPoint, Sway and Teams to create interactive presentations that highlight students' successes in an accessible and engaging way.

## Skills and Knowledge Acquired

- Craft visually appealing presentations with PowerPoint and Sway.
- Utilize Microsoft Teams for student engagement and celebration of achievements.
- Share and archive achievement ceremonies.
- Leverage OneNote to document reflective practices and student progress.

## Course Information

- Gain access to a library of resources and tutorials.
- Available as a 2 hour, half-day or full day course.
- Live online or in-person training options.
- Training by official Microsoft Global Training Partner trainers and consultants.
- Certificate of Attendance provided.

## Apps Explored

This course can be used in these Learning Designer Pro certification routes
