

CS4 Enabling Independent Learning

What's the course about?

Learn how students can leverage Canva's features to create their own learning materials, reflect on their individual curriculum journeys, and self-direct their routes through their studies. In this course, you'll learn how Canva supports learning environments where students can thrive and progress as confident learners.

Skills and Knowledge Acquired

- Create self-paced learning modules.
- Encourage student-generated content to aid independent study.
- Adapt Canva's resources to support differentiated instruction.
- Build student ownership over the learning process.

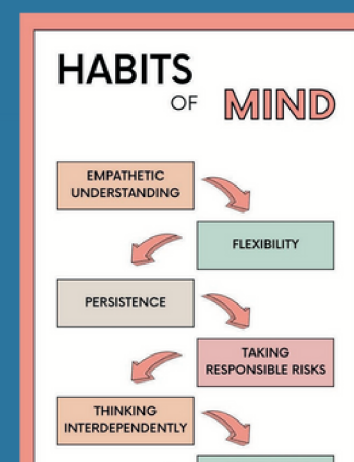

Course Information

- Gain access to a library of resources and tutorials.
- Available as a 2 hour, half-day or full day course.
- Live online or in-person training options.
- Training by official Canva for Education Partner trainers and consultants.
- Certificate of Attendance provided.

Increase learning capacity in your students

Develop a shared language of learning
