

CIN3 Ideation and Critical Thinking

What's the course about?

Spark greater creativity and idea generation by leveraging Canva's platform for brainstorming and collaboration. Encourage students to think outside the box with Canva's diverse design elements libraries, templates, AI tools and freeform layout options. Teaching students design workflows and processes is fully supported by Canva's easy edit and customization capabilities.

Skills and Knowledge Acquired

- Cultivate originality with Canva's extensive design resources.
- Facilitate collaborative brainstorming sessions using Canva whiteboard.
- Nurture design thinking with remixable templates.

Course Information

- Gain access to a library of resources and tutorials.
- Available as a 2 hour, half-day or full day course.
- Live online or in-person training options.
- Training by official Canva for Education Partner trainers and consultants.
- Certificate of Attendance provided.
