

CS5

Digital Literacy by Design

What's the course about?

Enhance digital literacy by integrating Canva into your teaching practice, guiding students towards effective communication in an increasingly digital society. Use Canva to demonstrate the power of design in conveying information and ideas succinctly. Equip students with the competencies to create digital content confidently.

Skills and Knowledge Acquired

- Build digital communication skills through Canva's design projects. Cultivate critical thinking and digital literacy concepts with Canva's collaborative features.
- Inspire creativity and precision in digital content creation.
- Advance students' understanding and critical analysis of digital media.

Course Information

- Gain access to a library of resources and tutorials.
- Available as a 2 hour, half-day or full day course.
- Live online or in-person training options.
- Training by official Canva for Education Partner trainers and consultants.
- Certificate of Attendance provided.
